# ADVANCE STOCK MARKET COURSE (ONLINE COURSE)

# WHAT IS A STOCK MARKET ?

**It is a place where shares of public listed companies are traded. The primary market is where companies float shares to the general public in an initial public offering (IPO) to raise capital.**

# WHO SHOULD JOIN THIS COURSE & WHY?

## Students

College students can learn to invest in stocks. Investing is different than saving. You might put money in a savings account or simply let it accumulate in a checking account.

## Business Owners

Help companies to trade publicly to raise capital. It acts as a platform for the sale and purchase of securities.

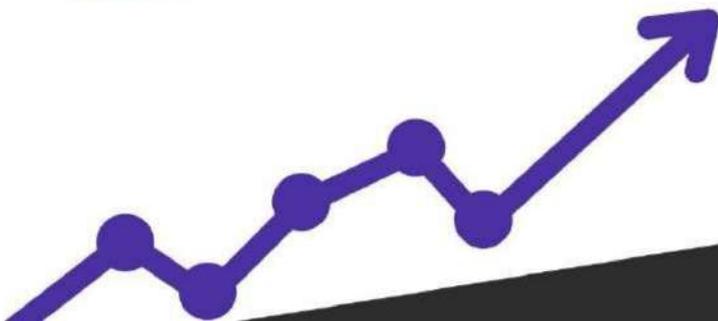

## Working Professionals

Sharing a market with other working professionals can lead to increased collaboration, networking, learning, feedback, and exposure, all of which can be valuable for career growth and success.

## Housewives

The stock market will help every woman to become independent and financially contribute to her family, thereby establishing her own identity.

# BASIC KNOWLEDGE OF STOCK MARKET

## Primary and Secondary Market

In the primary market, companies sell new stocks and bonds to the public for the first time

## The Bombay Stock Exchange

Is the first and largest securities market in India and was established in 1875 as the Native Share and Stock Brokers' Association.

## National Stock Exchange of India Ltd.

Is an Indian Government savings bond, primarily used for small savings and income tax saving investments in India.

## Role of SEBI

To protect the interests of the investors in securities and to promote the development of, and to regulate, the securities market and for matters connected therewith and incidental thereto.

# HERE'S WHAT PEOPLE ARE SAYING ABOUT THE COURSE

## Vijendra Bankapur

**BEST STOCK MARKET ACADEMY IN SOLAPUR WITH AMAZING MENTORS...**

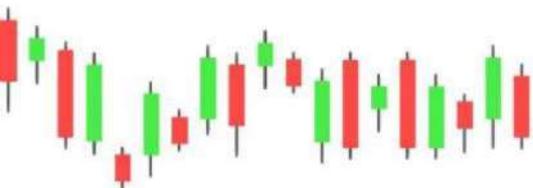

This course was one of the finest courses I ever took in my life. I mean when it comes to learning about money, you tend to enjoy it. This course not only changed my perceptions about investing, but it raised my awareness about growing money to a great extent.

## Rohit Gaikwad

**I WAS CONFUSED ABOUT INVESTING MONEY BUT JOINING CAPITAL MANTRA GAVE ME CONFIDENCE AND KNOWLEDGE...**

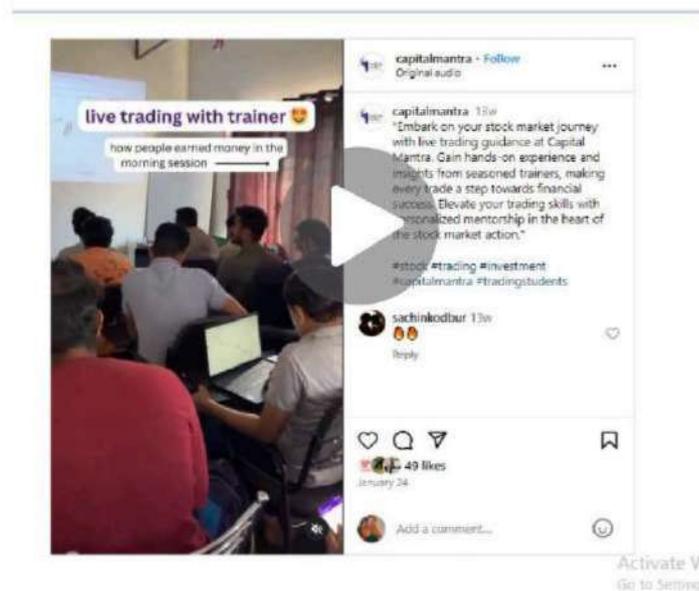

I always had an impression that stock markets are very complicated. I would question myself if I could even understand the basics of it. But my mentors made it so easy and simple to understand that I have started talking the financial language.
